

S · SURRENDER

let the limit lead

An encounter with the idea that more freedom doesn't always mean better results.

THE MESS

1. Think of something you've been putting off because conditions aren't right yet -- not enough time, resources, or information. Write it down.
2. Assume those conditions will never improve. Write one sentence about what you could do right now, with exactly what you have.
3. Read that sentence back. Notice how it feels different from waiting.

Notice: what you would start if you stopped waiting for better conditions.

NO OUTCOME REQUIRED.
